TIPS TO NEW MEN

I

PLAN YOUR COURSES BEFORE YOU ENTER

1. Study the catalog.
2. Decide upon your majors and minors.
3. Find out what courses are required and get them off as soon as possible.
4. Choose your school and career carefully.

II

WHAT TO BRING

1. Bed linen, pillow, blankets, towels, window curtains, and laundry bag.
2. Bring the afore-mentioned articles in your suit case, unless you are traveling by auto and bringing your trunk with you, or you may not have linen and cover the first night or two.
3. Bring a Webster's or Funk & Wagnall's Dictionary—it will save buying one here at five dollars.
4. Bring any and all athletic equipment you may have, and especially some fatigue clothes.
5. Bring typewriter, if you have it, reading lamp, pennants and other decorative articles for your room.

III

HOW TO GET TO CHAPEL HILL and DATE YOU SHOULD ARRIVE

1. All new men should attend Orientation Week, beginning Tuesday morning at 9:00 o'clock, September 16th.
2. The best way to travel here is by auto and bring your trunk with you. The next best mode of travel is by Bus (you can check your trunk on the Bus) if you are not too far away. By train is the least desirable mode of travel, as the train does not come into Chapel Hill and you still have a transfer charge. If coming by train, check your trunk to Chapel Hill, but you get off at Durham and take Bus for Chapel Hill.
3. If you check your trunk with the Carolina Transfer in Durham, be sure to write your Chapel Hill address plainly on it, and take the name of the man who checks it.

IV

HOW TO GET A ROOM

1. Best to order, or reserve room in advance by writing University Business Office.
2. If you do not get room reserved in advance of arrival, go to the Business Office immediately after you get here, and get your room; or if you prefer to room out in town, call at the Y. M. C. A. Information Office and they will supply you with a list of desirable rooms for your inspection and selection.

3. Keys for dormitory rooms are secured from University Buildings Department (down by the big smoke stack).

V

WHERE TO EAT

1. Swain Hall, University profit-sharing dining room—\$22.00 per month. Several boarding houses, ranging in price from \$22.00 to \$35.00 per month. Two cafeterias, reasonable prices; most fellows eat there for from \$25.00 to \$35.00 per month. Two or three restaurants, selling a special rate meal ticket. Several fraternity houses run a table for their own members, at about \$30.00.
2. Experience warns students against attempting to "batch" in their rooms, what you save in cost of food you pay—and more—in doctor's bills later.

VI

WHAT TO DO THE FIRST WEEK

1. Attend promptly every item listed on your Orientation Program Card.
2. Get your physical examination.
3. Register promptly as directed in your list of instructions.
4. If you are a self-help student register early, so you can bunch your classes in the morning hours and save the afternoon for work.
5. Begin keeping a rigid studying schedule from the time your first lesson is assigned.
6. Be prepared for English Placement Tests.

VII

GENERAL SUGGESTIONS

1. Don't cut classes—you may be dropped from the University.
2. Write home often—practice intelligent letter-writing by "taking the family through the University with you" by means of your letters.
3. Attend Church at least once every Sunday.
4. Leaving out all luxuries, the total expenses for freshman year can easily be kept as low as \$450.00. Low grades often attend reckless spending.
5. Freshmen are not hazed at Carolina.
6. Get the habit of speaking to everybody you meet—it's an old Carolina tradition.
7. Don't week-end, or trip home, more than once a month. It not only cuts down your academic record in the Dean's office, but also greatly reduces the chances of getting that social and personality development which the University life should give you.
8. Mail comes in and goes out three times daily.
9. When sick, go to the University Infirmary—you have paid the fee at registration and the service awaits you there without further charge.

Besides you cannot get a "sick excuse" for missing classes if you remain in your room.

10. Buy all your books at the Boox Exchange in the "Y" building. Ask for second-hand books, and save money.
11. Beat out a good hard path from your room straight to the New Library, and travel it day and night, as often as you have opportunity.
12. Get well acquainted with your Faculty Adviser and use him often throughout the year.
13. Never "skip" a quiz, they may seem insignificant, but taken together for the year they are a most valuable summary of the course, and will clear up your grasp of the course as nothing else will.
14. During rushing season do not go to fraternity houses uninvited.
15. Final examinations each quarter are compulsory.
16. Tardiness in attendance upon class accumulates in cuts—be prompt on all classes.
17. Make the "Y" your home, and count the secretaries among your most valuable friends and advisers; whatever your problem may be they will help you find the proper assistance for its solution.
18. Don't be afraid of being called "A Boot Licker"—consult your Dean and your professors at any time, and cultivate their acquaintance constantly.

CAROLINA SONGS AND YELLS

HARK THE SOUND!

(Tune: "Amici")

Hark, the sound of Tar Heel voices
Ringing clear and true
Singing Carolina's praises,
Shouting "N. C. U.!"

Chorus

Hail to the brightest star of all!
Clear in its radiance shine!
Carolina, priceless gem,
Receive all praises thine.

'Neath the oaks thy sons, true-hearted,
Homage pay to thee;
Time-worn walls give back their echo—
Hail to U. N. C.!

Though the storms of life assail us,
Still our hearts beat true,
Naught can break the friendships formed
At dear old N. C. U.

Refrain

I'm a Tar Heel born
I'm a Tar Heel bred,
And when I die
I'm a Tar Heel dead.

A LIBERAL FACULTY

The Faculty of the University of North Carolina is now larger than the student body was a few decades ago. There are 272 members of the teaching faculty, 246 of whom are full-time teachers, and 26 who are teaching-fellows. The number of faculty teaching in the different departments of the University is as follows:

English 36, Commerce 20, Chemistry 11, Romance Languages (French and Spanish) 22, History 13, Education 17, Engineering 17, Law 9, Medicine 9, Philosophy 2, Mathematics 13, Extension 10, Social Sciences 12, Psychology 10, Botany 3, Geology 7, Physics 2, Latin and Greek 7, Pharmacy 5, Zoology 5, German 5, Music 4, Rural Social Economics 2, Journalism 1, Dramatics 1, Government 3.

There are over forty members of the University faculty listed in Who's Who in America.

STUDENT GOVERNMENT

(The Honor System is Carolina's Most Prized Tradition)

Student Body Head Has a Word to Say—

TO THE STUDENT BODY OF THE UNIVERSITY OF NORTH CAROLINA:

Students at the University of North Carolina regulate their own personal conduct according to standards made and accepted by themselves. In essence, student government here consists in applying two codes of conduct to an individual's behavior.

"RED" GREEN
President of Council

The first of these is the Honor Code, under which a member of the student body is obligated to refrain from cheating, stealing, or lying, and to report any other student whom he sees commit these offenses.

Under the Campus Code an individual is bound on his responsibility as a gentleman to conduct himself as such at all times, and further to see to it, in so far as is possible, that his fellow students do likewise.

In the event that a person fails to live up to any one of these standards, he is reported to the Student Council, which is a court of equity for the

student body. The Student Council makes an investigation and takes action according to the peculiar circumstances of the case—the court not being bound by any constitution, custom, or precedent.

The Council is composed of eight members: one elected from each of the three upper classes, one from each of the three professional schools—Law, Medicine, and Pharmacy—one representative from the preceding Council, and the president of the student body who serves as chairman.

When the University was opened in 1795, a monitor system was established under which the conduct of students was regulated entirely by the faculty. Soon the two literary societies took it upon themselves to regulate the conduct of their membership—which included at that time the entire enrollment of the University. Expulsion from either of the societies meant that the individual left the University.

Official faculty recognition of students' right to govern themselves did not come until as late as 1904 when President Francis Venable suggested that a University Council be established to handle all hazing cases, and violations of the Honor System, which had up until that time been handled by the faculty. This Council served the student body until 1921 when it was merged into the Student Council as it is known today.

Cases are reported either by Student-Council members' or by any other member of the student body. The Council attempts to be a court of correction, rather than one of punishment. No deliberate attempt is made to spy into the

private lives of individuals, and one does not come under the scrutiny of the Council unless his conduct is such as to reflect upon himself or the University.

Everyone entering the University automatically assumes the responsibility of acting as a gentleman and a Carolina man.

Yours sincerely,

"RED" GREEN.

FRESHMAN FRIENDSHIP COUNCIL

Shortly after the opening of the University each fall a Freshman Friendship Council is organized among those men who, having had previous membership in Hi-Y Clubs or other Y. M. C. A. organizations, wish to bring their experiences to the aid of their fellow classmen.

BOARD OF DIRECTORS

W. D. Moss, Chairman; D. D. Carroll, Treasurer; F. F. Bradshaw, Frank P. Graham, H. D. Meyer, H. W. Odum, R. B. House.

OBJECTIVE OF THE Y. M. C. A.

1. "To lead students to faith in God through Jesus Christ as their Divine Lord and Saviour, according to the Holy Scriptures."
2. "To lead them into the membership and service of the Christian Church."
3. "To promote their growth in Christian faith and character, especially through the study of the Bible."

AGE AND EXTENT. The Young Men's Christian Association is the largest student organization in the world. It is operating in 700 schools in the United States with a total membership of over 79,000 students.

The first Y. M. C. A. was organized by Sir George Williams in 1844, in London, England. The first student "Y" was established in the U. S. in 1857, at the Universities of Michigan and Virginia. It was established at the University of North Carolina in 1860.

North America has 2,085 Y. M. C. A.'s, including all types, with a total membership of 925,000. There is a total of 9,000 Y. M. C. A.'s in the world distributed over 48 different countries, with a total membership of 1,500,000 men and boys. There are 6,000 employed Y. M. C. A. Secretaries in the world. The total value of all Y. M. C. A. buildings and property in the world is approximately \$200,000,000.

4. "To train them for work and leadership in applying the principles of Christ to the problems of human society."
5. "To win their life devotion to the purpose of Christ for the evangelism of the world."

MEMBERSHIP. Membership is based on the above Objective of the Young Men's Christian Association in general. Those accepting this statement in full are known as *active* members and are eligible to all privileges of the local Association, including office-holding. Those subscribing to these principles only

in part, as known as *associate* members, and are entitled to all privileges of the local Association, except office-holding.

THE Y. M. C. A. BUILDING. The "Y" building is located in the very center of the campus, and stands as the "Community House" or "Campus Club" for the free use of the entire student body. It is the "meeting place" of the campus. You are urged to make this your "home" from the first day you land in Chapel Hill.

The present "Y" building is entirely inadequate to meet the demands of a student body of over 2,500 men, and it is planned to proceed with plans for new and larger quarters in the near future. This little building was erected 25 years ago out of funds specially raised by the students and faculty of the University. Hundreds of people made contributions to the fund for the present building.

FINANCIAL SUPPORT OF THE UNIVERSITY Y. M. C. A. The University Y. M. C. A. has an annual budget of \$12,000. One-half of this amount comes as a cash appropriation direct from the University administration. The remaining half is raised by the student Cabinets and Board of Directors through means of free-will contributions from students, faculty, alumni, and friends of the University.

The student body, of over 2,500 men, is of course the largest source of income for the amount the Cabinets raise. Of this \$6,000 the student body is expected to contribute about \$4,000. All other campus activities, including season passes to athletic events, subscription to the four student publications, and intercollegiate debates are paid direct to the University Treasurer by every student who registers, along with his other University fees. In the registration line every student is given an opportunity to state whether he wishes to contribute to the Y. M. C. A., and the amount. He makes his pledge by signing a statement which authorizes the University Treasurer to add to his regular bill the amount he wishes to subscribe to the "Y." On this plan last year a large majority of the student body pledged from \$1 to \$15 each to the "Y."

THE 1930-31 PROGRAM. The University Y. M. C. A. is "An organization of the students, for the students, and operated by the students." It isn't expected that any one department of the program will appeal to all, or that all departments of program will appeal directly to any one student. So that with the entire student body in mind, the program must of necessity carry very great variety. The chief mission of the Association is that of "drawing out of every man the highest, and best, and fullest there is in human life." This program is the visible, workable means to that end.

PROGRAM

1. *Social Department.* Receiving new students, providing entertainments; social leadership to students-at-large.
2. *The Building.* Home and Club House to every Carolina man; service office; reading room; parlor; committee rooms, etc.
3. *Self-help Bureau.* Providing employment and various forms of self-help assistance to over 700 students.

4. *Information Bureau.* "Y" Office is general information bureau to visitors, students and all, including long distance calls and telegrams.
5. *Chapel.* The "Y" has always had a leading part in taking care of Chapel.
6. *Bible Study.* Voluntary groups organized throughout dormitories and rooming houses. Every student invited to join.
7. *Boys' Work.* Students operating Scout Troops, Hi-Y Club and Knights of King Arthur. Study course in Boy Life and Boy Leadership.
8. *Speakers' Bureau.* Bringing to campus world figures to speak on social and religious topics.
9. *Deputation Work.* Teams of picked students visiting high schools of state with three days moral and religious program, music, etc.
10. *Personal Work.* Committee of six whose duty is to catch all personal cases of need to try to help meet the need.
11. *Freshman Friendship Council.* A council of ninety picked freshmen, among whom remaining members of their class are equally divided, thus making perfect organization, meeting regularly, through which all "Y" program is carried to freshman class.
12. *Life Work and Vocational Guidance.* Special addresses on professions and callings; personal assistance to students on callings and life problems.
13. *Evangelism.* Special effort of individuals, groups and masses, to bring students to Christ's standard of living. Special meetings to this end.
14. *Community Service.* Visiting sick; daily bulletin on Infirmary patients; serving other campus and community needs.
15. *Finance Department.* Cabinet responsible for raising half the budget.
16. *Blue Ridge and Other Conferences.* Blue Ridge the greatest intercollegiate event of each year. Carolina sent twenty-eight delegates last June. Delegates to four other religious conferences annually.
17. *Publications and Literature.* Publish Carolina Handbook, and Student-Faculty. Town Directory annually; distribute "Character-building" literature throughout the year.
18. *Music Department.* Provides suitable music for all occasions.
19. *Publicity Department.* Advertise all meetings; give proper press publicity over the state.
20. *Lost and Found Bureau.* Custodians for all found articles; almost a detective agency after lost ones.

In addition to the stated programs above, it falls to the "Y's" lot to receive visitors, handle long distance and telegraph calls, and take care of almost everything that comes to the campus not assigned to a definite department or person—a catch-all for general matters and community troubles.

A Congregation from all Carolina

The Methodists of North Carolina have erected here at Chapel Hill a beautiful and well equipped church building for the benefit of all the Methodist students who attend the University. The records for the past few years reveal

the fact that one student out of every three in attendance here comes from a Methodist home. Quite naturally our church is interested to a superlative degree in the young men and women of the University. For them has been built in the midst of a busy campus life a structure amply able to take care of all those interested in various church activities such as the Epworth League, the Sunday School, socials, and the regular preaching services. We are here to serve as best we can the hundreds of students who have come from every section of our state and other states.

To all of you we give our greetings at the beginning of this new year. Not only on the Sabbath but on every day of the week we ask you to use our social halls for your pleasure and relaxation. Consider our church your home, and let us serve you as long as you remain in our delightful community.

C. EXCELL ROZZELLE, *Minister*

Freshman Night

On Friday evening of the first week of the school year the Church observes Freshman Night. This is an informal get-acquainted gathering in honor of the men who have just arrived on the campus.

EUGENE OLIVE
Pastor

CHAPEL HILL BAPTIST CHURCH

To New Students

The Chapel Hill Baptist Church looks forward with eagerness to the coming of each new college year. With the coming of hundreds of new students to the University the people of the church have the privilege of forming an ever-increasing number of new friendships. The pastor, the members of the local congregation, and the Baptists of North Carolina are seeking to provide a wholesome and happy church life for the students. It is their desire to help in every possible way to make their stay in Chapel Hill contribute to their highest good *spiritually*, as well as intellectually and physically.

Baptist students are invited to bring with them their church letters and transfer their membership to the local congregation at the very beginning. Students who do this are happier in their religious life and less likely to lose their

bearings. It is a great tragedy for anybody to grow physically and intellectually and become a spiritual dwarf or corpse. It is to provide opportunity for students to become what they should be spiritually that the program of the Chapel Hill Baptist Church is planned.

Baptist Student Activities

Every student who cares to, will find a place in some of the activities of the church. Sunday School classes and B. Y. P. U.'s are adapted to their needs. Students are used as church ushers, members of the church choir, in the Sunday School orchestra, and as junior deacons. The Baptist Student Union, whose officers are elected by the students themselves, includes all the student religious organizations of the church. The pastor is glad to have students call upon him at any time for whatever service he may render. During the morning hours he may be found in his study at the church. At other times he will be glad to see students by appointment. The church telephone number is 4381. Pastor's residence, 5551.

The Chapel of the Cross cordially welcomes all members of the Episcopal Church, and all others who care to worship with us. New students are asked to make themselves known to Mr. Lawrence as soon as possible after their arrival in Chapel Hill.

Our policy is to have as little organization as possible. We want the Church to be a spiritual home, and not a club. So our only organizations are as follows:

Swain Hall

THE UNIVERSITY DINING

We feed more than one-third

Students who sing are invited to join the choir. Practice every Thursday at 7:15 p. m.

The Parish House is always open to students. On the ground floor there is a good reading room, provided with books and magazines, and upstairs there are a number of small rooms which offer excellent opportunities for study.

PRESBYTERIAN CHURCH

W. D. Moss, *Minister.*

You are cordially invited to all the services of the Church and both pastor and members are anxious to become acquainted with you.

The Young Men's Bible Class will be taught by Prof. George McKie. Prof. McKie understands the problems of young men and has a profound insight into the Bible and the religious life.

The Young People's Society is planning a program of study that it feels will be valuable to those who come. There will be an open discussion at every meeting and a chance for a frank heart-to-heart talk on the serious things of life in which all are deeply interested.

There will be a Social Hour every Sunday evening in the Social Rooms immediately after the evening service.

The Pastor will be in the Social Rooms the first three evenings of every week to meet with the young people. Come to see him. You will miss your home Church and we want you to be at home with us.

This membership gives you a real church home and puts you under no obligations nor in any way conflicts with your church affiliation back home. We welcome you into our midst, and extend you a cordial invitation to be with us.

J. PAUL McCONNELL, *Teacher of Bible Class.*

LUTHERAN STUDENT ASSOCIATION

REV. GEO. A. METZ, *Secretary of Lutheran Students*

The Lutheran Student Association is organized to care for the welfare of Lutheran students on the campus. It fosters Christian fellowship and affords a means whereby Lutheran students may consider and act upon their common problems. As there is no organized Lutheran congregation in this community, the L. S. A. provides for services every Sunday morning. Sunday School at 10 a. m. and the church service at 11 a. m. These services are held in Gerrard Hall. The L. S. A. extends a cordial invitation to all students to participate in these services and in the other activities of the Association.

VILLAGE RELIGIOUS ORGANIZATIONS

City Young People's Union

This union is composed of the young people's societies from all churches in Chapel Hill. That is the Christian Endeavor of the Presbyterian and Christian churches; the B. Y. P. U., of the Baptist; Epworth League, of the Methodist; and Brotherhood of St. Andrew, of the Episcopal. The purpose of the union is to create and maintain a larger Christian fellowship among all young people of Chapel Hill churches. This is accomplished by having one union meeting each quarter with devotional program, and one with a social program.

Council of Religious Workers

This is an organization whose membership is composed of all past, present and future religious workers in the city. That is, all ministers, retired missionaries residing in the town, Y. M. and Y. W. C. A. secretaries, all ministerial students and all student volunteers. The Council of Religious Workers meets once a month throughout the calendar year. Its purpose is to provide rich fellowship among all religious workers, to coordinate the religious work and programs of the town as a whole, and to see that no religious need of the community at large goes unattended.

INTRAMURAL ATHLETICS

The purpose of Intramural Athletics is to provide some form of sport and out-door recreation for every member of the student body. Director "Bo" Shepard, assisted by Mac Gray and Wallace Shelton, have kept this purpose steadfastly in mind and their efforts have resulted in the most successful year the department has had in the seven years of its existence. More students

are participating in each sport each year, and many new events have been added to the program of Intramural Contests. Also the University has added greatly to the supply of equipment. This work makes good Carolina's slogan: "Athletics for All."

IMPORTANCE OF EXTRA CURRICULAR ACTIVITIES AT CAROLINA

Study occupies a great part of the time of the student at Carolina; scholarship is the most important thing that he can work for in college. Election to Phi Beta Kappa, the national honorary fraternity for scholarship, is considered the highest honor any man can receive. The majority of Phi Beta Kappa men find ample time for extra curricula activity. Indeed in these activities many men find what is to them the most enjoyable and most valuable experiences of college life; many find their real field of work through going out for some activity. Sports, publications, debating, and the various other things offer an opportunity for every man to take part in something in addition to study. Honor comes to those men who are elected to head the college organizations, yet it is the great body of steady, hard-working men who make up the personnel of the organization that makes it possible. Securing an office is not the important thing about outside activities; going out, trying, taking part, and gaining experience is the only valuable thing. Carolina needs every new man in some activity.

FRATERNITIES

Fraternities may be defined as bands of men joined together for companionship at college. At Carolina there are 31 national social fraternities, 4 local social fraternities, 13 professionals, and 2 women's fraternities. A national fraternity is one which has chapters at various schools, while a local fraternity consists of a single chapter. The professional fraternity chooses its members from only one school of the University (i.e., Law, Medicine, etc.), while the social fraternities choose men from any school. The majority of fraternities own or rent houses in which the members live and, in some cases have their meals.

BIDS. Membership in these fraternities is by invitation. Each fraternity bids those men who seem to be most congenial with that particular group. In selecting new members the various fraternities stress different qualities, such as: social standing, athletic prowess, literary and scholastic attainments, personality, character, wealth, and family "rating." Recommendations by alumni and fraternal connections in the family also play an important part.

RUSHING. The rushing season begins one week after the first day of classes which is preceded by what is known in fraternity circles as the first of silence in which there shall be no rushing of any kind. This period of silence includes what is commonly known as Freshman Week in addition to the first week of classes. For the twenty days following this date (from September 26, 1930, to midnight of October 15, 1930) each fraternity will entertain Freshmen to whom it is considering extending bids. All fraternity-rushing-entertainment is restricted to the fraternity houses and shall be limited to the hours of two to nine o'clock P. M., except on the last night (October 15) of the period of rushing, when the time shall be extended to midnight. The second period of silence shall extend from midnight of October 15 to six P. M. of October 17. Periods of silence are periods in which Freshmen consider the merits of the various fraternities by whom they have been rushed. No freshmen are permitted to be rushed or talked to by any fraternity man or his associates during the periods of silence. During the entire rushing season no freshman will be permitted under any circumstances to spend time at fraternities outside of the above mentioned hours (two to nine P. M.). No fraternity man will be allowed

to room with a freshman during rushing season, or even allowed to visit him at his rooms outside of the regular hours.

DATES. Appointments between fraternity men and Freshmen can only be made one week in advance, the first ones having to be recorded in the Dean of Students' office. No Freshman shall be permitted to break any first date with a fraternity under penalty of being barred from fraternity membership. No Freshman may during the first two days of rushing make more than two dates with any one fraternity.

PLEDGING. After the rushing season fraternity bids are given out by the Dean of Students, after each student has recorded his preferences provided he were to receive a bid or bids. Each Freshman names his first, second, and third choices and more if he has them. No Freshman, under any circumstances, will be permitted to be pledged before pledge day. Both fraternities and Freshmen can be punished for breaking this rule.

INITIATING. Fraternity pledges may be initiated at the end of the winter quarter provided they have passed five courses, making at least two C's (85). Any pledge not satisfying scholastic requirements to be initiated must wait over until the following year to be initiated.

In order to be allowed to initiate new members in the spring quarter a fraternity must attain a 3.5 average in scholarship (between a "C" and "D") for the preceding (fall) quarter; if however any fraternity does not attain such an average in the fall quarter, the whole fraternity will be on probation during the winter quarter to raise its average to the required 3.5, and provided this average is attained may initiate in spring quarter.
